FINE ARTS COMMISSION
OF THE
CENTRAL INTELLIGENCE AGENCY

1. The Fine Arts Commission was established in 1963. Increasingly, it has become concerned with environmental problems. The purpose of this notice is to affirm its responsibility in such matters.
2. The commission's purpose is to advise the Director on esthetic and environmental matters relating to Agency buildings and grounds. The commission acts in concert with the Director of Logistics on matters concerning the appearance of Agency buildings and enrichment of the work environment.
3. The members of the commission are appointed by the Executive Director from Agency personnel and serve in addition to their other duties. Appointment is on the basis of qualifications and not on the basis of organizational representation.

FOR THE DIRECTOR OF CENTRAL INTELLIGENCE:
